

Mahee & Girish, Storrs Hall - Aug 2014

After a few emails to explain what she can help, Annabel met with this great couple to discuss their plans for a stunning lakeside wedding. The hope was to have the ceremony outside but the Cumbrian weather doesn't always do what you want so plans changed last minute. The detail Mahee had gone into was amazing and that extra care created a beautiful, memorable day for the many guests who joined them. Food, music and entertainment came from as far as London including fantastic Bollywood dancers! The day went perfectly and everyone was relaxed, emotional, full stomach and happy!

"Thank you so much! Annabel made our dream vision a reality. Words cannot express how grateful we both are, she made our day seamless when there was potential for so much to go wrong. To have that peace of mind that anything and everything was in her very capable hands was a welcomed relief, it meant that we could actually take in and enjoy what is a very emotional and big day!

From power supplies, to water bottles, umbrellas AND most important tissues! To organizing family and vendors and the countless other wedding details that we didn't think of, it was ALL covered. Whenever there was any stressful moment Annabel was there in a flash to sort it out.

Our guests were very impressed with the timings of various parts of the day, Annabel ensured we didn't overrun and delay anything and at the same time made sure nothing felt as though it was rushed. She made sure all of our guests had everything they required.

Looking back at our pictures and video, we now appreciate it more than ever, the tables and decor looked better than we could have ever imagined it.

We had originally planned an outdoor ceremony, which was changed to indoor at the last minute due to weather - but you would never have known - it was impeccably organized and was beautiful thanks to Annabel. We felt so comfortable that we could leave it up to Annabel to make the call.

All of our guests and other vendors were very impressed with her excellent planning, according to some it was the "best wedding ever", we couldn't have done it without Annabel. We spent so much time and effort planning our important day and we are so happy that we chose Annabel to pull it all together after all of the months of planning (and tears!) - it is so important to have a wedding planner especially one as professional and caring as Annabel. Hiring Annabel was the best thing we did to ensure that our big day was AMAZING. Thank you so much, Mahee and Girish. "
