PH: 08 9949 2000 MB: 0418 935 224

FAX: 08 9949 2004

**Exmouth Civil** is an established business located in Exmouth covering the Gascoyne Region of Western Australia. Within the region, **Exmouth Civil** carries out works throughout the shires of Exmouth, Carnarvon, Onslow, Coral Bay and Shark Bay. This includes towns and rural areas.

At **Exmouth Civil** we combine expertise and reliability with many years of experience to carry out projects for all earthworks, road construction and civil works regionally. Our operators are highly experienced and reliable. Our workers and subcontractors regularly undergo safety inductions along with drug and police checks, which is a necessary requirement for many of the projects that we undertake.

## Our Services

### EARTHWORKS

We provide comprehensive earthwork services for commercial and private clients. This includes excavation and removal, site clearance, backfill materials, water cartage and construction and civil engineering services.

### ROADWORKS

We offer roadwork repairs services, highway, footpath and carriageway excavations, provision of sand, gravel, and limestone materials.

### CIVILS

As part of our civil engineering services we offer enabling works, block clearance, house pads, car parks, site clearance, sub divisions, air strips, structure preparation, etc.

### PLANT HIRE

We offer both wet and dry hire of various plant and machinery for all your project requirements. This includes Graders, Rollers, Excavators (5 Ton - 33 Ton), Articulated Dump Trucks, Articulated Water Trucks, Loaders, 6 Wheel Tippers, Prime Mover Floats/Low Loaders, Compaction Equipment, Water Trucks, Bobcats and Positracks.
