## WONDERFUL PLANTS

*'An astonishingly elegant framework, simple and effective'*

11 – 13 November, 2016

Holiday Inn, Regents Park, London, W1W 5EE

*'I felt encouraged and energised by what I learnt and was able to use it straightaway on some of my unsolved cases. What once seemed almost impossible to grasp turns out to be astonishingly elegant in its simplicity and efficacy. Although this path is not the only one to find plant remedies, it is certainly proving its worth by helping us to map and understand the plant kingdom, especially when we find the confirmation in the materia medica.'*
