Beecraft Many beekeepers consider this monthly magazine essential reading. It is full of interesting and topical articles about bees, beekeeping and related subjects. By ordering the printed copy through the Division you benefit from a worthwhile discount off the normal annual subscription. If you would like to see a copy, some can be made available at our regular meetings, alternatively contact Beecraft direct on 01733 771221 and they can usually let you have a sample. For those on email, the digital copy is available for only £20 and it will be sent electronically to your email address. If you prefer the printed magazine, the subscription is £30. As previously, there is the option to receive the digital copy free with the hard copy. You must indicate if you require this at the time of subscription renewal and it is on the understanding that your email address will be passed to Beecraft to enable them to send the digital copy. To allow time for collection of all subscriptions and notification to Beecraft and their updating of records, the Beecraft subscription runs from May to the following April.

Donation Some members have indicated that they wish to make an additional donation to the Division, this section gives you the opportunity to do so if you wish.

If you are in doubt as to which category of membership best meets your needs, please do not hesitate to call the Membership Secretary, Christine Stevens – 01243 533559
