

SCENE 22

CARL'S OFFICE

*(CARL's office forms around him and SAM.
CARL punches into his computer and places a
call on his desk phone.)*

CARL

Tony, its Carl. I got the codes. We're all set. We're fine.
Everything's fine. Just tell me what you want me to do.

*(CARL repeats what he hears as he writes it
all down. SAM watches, astounded, as the
full scope of CARL's treachery reveals
itself.)*

OK, transfer the money into a single account under the name
"Rita Miller", account number 92631043, is that right? Yeah,
Friday, 4:30 p.m. transfer the full account to First Island Bank
of Nassau. Yeah, Rita Miller! Yeah, this Friday! Hey, don't
worry about it. I'm on it. I'll call you when it's done.
And tell Mr. Balistrari I'm sorry for all that happened. It
won't happen again. There won't be any more problems.

*(CARL hangs up and punches the air with
satisfaction and relief. SAM just stands,
enraged.)*

*(The office disappears revealing a panorama
of New York.)*
