

TAILS FROM THE TACK ROOM

JUNE 2015

SCROPTON RIDING FOR THE DISABLED CENTRE
REG. CHARITY NO. 240985 www.scroptonequestrian.com

Changes at Scropton Riding for the Disabled

You'll notice some changes on the yard as we are undergoing a reorganisation here at Scropton RDA. As a charity we need to become more business focused to survive in the current economic climate, and so we are introducing a new structure for the centre to reflect this.

The first change will be the recruitment of a new Charity Manager to manage the business and financial side of the charity. There will also be some changes to how we operate which will take place over a period of time. Stuart Roberts regretfully will be stepping down from his current position as Centre Manager and will finish at the centre on Sunday 14th June.

The service we offer to our riders and drivers is at the heart of the changes we are making, and you can be assured that our aim is to improve and develop what we offer both for RDA and AB clients. We are confident that the changes will make the centre better for everyone: clients, volunteers and staff.

If your lessons are directly affected you will be contacted about this. For all other clients, lessons will carry on as normal.

If you have any questions about what is happening, please contact Glynis Dalley at the centre either on 01283 812753

or email glynis.dalley@scroptonequestrian.com

Please be patient. There will be some short term disruption whilst we start on the reorganisation but the end result will be more than worthwhile.

Scropton RDA Trustees

This year is the

Golden Jubilee

of our Riding for the Disabled Group. Founded in 1965, we have been providing riding & driving for local disabled children & adults for 50 years! We'll be celebrating this on

Saturday 26th September

so please keep this date free - more details nearer the time!

Riding for the Disabled 2015 National Championships

This year's Riding for the Disabled National Championships is taking place at Hartpury College in Gloucestershire on

Friday 17th - Sunday 19th July

This is a really inspirational event with hundreds of competitors coming from RDA groups across the country. Competitions include Dressage, Show Jumping, Countryside Challenge, Driving and more for all levels of disabilities. It's a chance to see the best of RDA and to be inspired about what we can do here at Scropton RDA.

We have three riders taking part this year. Matthew is competing in Show Jumping on Friday and Dressage on Sunday, whilst Evie and Tom will be competing in the Countryside Challenge and Dressage on the Saturday.

We are hoping to organise the opportunity for anyone who is interested to visit the Championships for the day, with car sharing to travel to Hartpury.

If you are interested in coming to the National Championships please sign your name up on the noticeboard in the Office or talk to Glynis

We're planning a number of activities and opportunities here at the centre over the summer - information about these will be

Don't forget our next Volunteers evening will be
Friday 26th June 7-9pm
Hope to see all our volunteers then!

We're recruiting a new

Charity Manger

for Scropton RDA

As part of our reorganisation we have a new Charity Manager role. Further details about this job are available here:

<https://scropton-rda.workable.com/j/273B8B3025>

Help needed in the Coffee Bar!

We urgently need some more volunteer help in the Coffee Bar, particularly on Saturdays and Sundays. If anyone can help please get in touch - Thank you
