

Haiku Poetry

Haiku poems are three lines long:

The first has 5 syllables

The second has 7 syllables

The third has 5 syllables

The lines don't need to rhyme, though you may use rhyming words if you wish.

Here is an example—the dots beneath show the syllables:

Oh Street Fayre of Alne,
○ ○ ○ ○ ○
Bunting and bouncy castles,
○ ○ ○ ○ ○ ○ ○
Bringing joy to all
