above the turning earth,
dancing flames of candlelight
adorn our ancient church.
Quiet and soft, the evening
drops gentle in the lane,
God's special gifts abundant
surround us once again"*

*“Little children listen
to the lovely words of prayers,
soft music in the rainfall
a patter on the stairs,
birds singing in the evening
gently falling snow,
we can look where Jesus visits
and his footsteps come to know”*

*“Take a ripened ear of corn
baked by summer sun,,
wish it right across the earth
For food for everyone ”*
