

***A FLAME TRUST APPEAL FOR
PLAYGROUND CONSTRUCTION IN
BRUSTUROASA
BACAU COUNTY, ROMANIA***

Flame Trust's 4th Playground Project

Please help us to create and renew a recreational playground facility for the village, identified as a low income community

*FLAME TRUST in partnership with Habitat for
Humanity and the local town council*

Flame Trust is a recognised charitable organisation that has delivered first class recreational facilities for children in deprived communities in Romania.

In **2020**, the first project appeal enabled a playground to be built in Sighet at a home that looks after the needs of children with disabilities. In **2022**, another facility was created in the town of Comanesti to meet a similar situation of challenged children in a kindergarten that had been deprived of support and excluded from local investment. Then in **2023**, a third project was completed for Valea Seaca School in Pascani which didn't have any playground or outside facilities.

These projects were directed and delivered by **Calin Rezmuves** (left), Flame's Practical Assistant – originally raised in a Romanian orphanage. All three projects were delivered on time and within budget, and have received national acclaim. *See the back page of this brochure for pictures of each project.*

We are delighted that for our **4th Playground Project**, we are again partnering with Habitat for Humanity, in conjunction with **Brusturoasa, Bacau County in Romania**. The local council will provide a piece of land in a central location on which the project will be established, providing a playground for the local low income community of around 2,400 inhabitants. Brusturoasa community has one school with 285 children and one kindergarden with 31 children. There is a currently a place for leisure activities in the village, but with an old and dangerous playground which needs to be renewed because it is very unsafe for the children. **The creation of this new space will provide a place where children and their families can go and spend some time, organise other sport or cultural activities and simply be closer to nature.**

**Flame Trust's
4th
Playground
Project**

Centre: the project site
Right: the current dangerous equipment*

It is hoped that work will begin in late Autumn 2024. The cost is likely to be £20,000 to include all of the construction and logistics. **Please consider whether this is something that you and/or your fellowship could support. Flame would consider visiting your church to explain the full detail, if there is sufficient interest in such a project.**

FULL DETAIL IS ON THE RESPONSE FORM OPPOSITE

MY RESPONSE

I would like to help with the Playground Project in Brusturoasa

- I enclose a gift of (Cheques payable to Flame Trust Ltd)
