**Flame Trust – UK**

Dear Members of Flame Trust,

On behalf of the Mayor's Office of Brusturoasa Commune and the entire local community, we would like to extend our heartfelt gratitude for the generous financial support you provided for the construction of the playground in our village.

Thanks to your kindness, we have been able to turn a long-awaited dream into a wonderful and lasting reality. The newly built playground, equipped with modern and safe play structures, will offer children in Brusturoasa – Camenca village a proper space for recreation, development, and social interaction, significantly enhancing the quality of life for the entire community.

Your support has been invaluable in making this project possible, and it also stands as a testament to your genuine commitment to the well-being of communities in need. We deeply appreciate the generosity of Flame Trust and are honored to have had the opportunity to collaborate with you on such an important cause.

Once again, thank you for your trust and for choosing to stand with us in this endeavor. We look forward to continuing our work together to further improve the lives of our residents and ensure a better future for our children.

With respect and appreciation,

**Mayor of Brusturoasa Commune**  
Cristian COMAN – GĂBURICI
