

## St John's Tower Fund '100 Club'

The church of St John has played an important part in the life of Washingborough and the surrounding area since the 13<sup>th</sup> century. It is a credit to many people and it is due to their care of the building throughout the years that it remains so to the present day. However, we have reached a point in time when vital and necessary work is required to the tower, it's roof, structure and stonework. These are costly issues and we understand that £40,000 is required to address these necessary repairs. To help in raising this amount we have set up the '100 Club'.

For an annual subscription of £20 members of the 100 Club receive a number that is entered into a monthly draw. This draw takes place on the first Sunday of each month.

Each month has four prizes:

1<sup>st</sup> - £50      2<sup>nd</sup> - £25      3<sup>rd</sup> - £15      4<sup>th</sup> - £10

The results of each draw are published in the following month's Parish News magazine.

Since the 100 Club's commencement in October 2009, The Tower Fund has benefitted by some £2,500.
