

Introducing MONEY and the CHAKRAS

**help solve your challenges with money using
the intelligent wisdom of your chakras –
one day workshop**

How is money an issue for you? Does the thought of money make you anxious? Would you like to feel more empowered around it?

The chakras are like huge databases and when you enter them, ask the right kind of questions and allow the chakra to reveal its wisdom to you, **you receive insights and help way beyond what your conscious mind can ever give you.** You can overcome difficulties in your relationship to money and **feel emotionally and physically better and richer** through shifting your thinking, mood state, and felt experience on an energetic level. This translates into the **actual manifestation of money itself and the confidence needed to do this.**
