

## **IBRC Cancellation Policy**

### Dressage Shows

You may cancel your place and receive a full refund up until the day before riding times and bridle numbers are published. Any cancelled place after this time will be refunded if the place can be filled from the waitlist or upon receipt of a doctor or vets certificate. If there is no waitlist or the place cannot be filled the entry fee will not be refunded. Please note if a refund is given it will be minus any booking fee.

### Clinics

A full refund will be given if you cancel your space up to 7 days before the date of the clinic. There will be no refund after this time unless the space can be filled with a horse or rider of equal ability. Any refund will be given minus any booking fee.

### Area Qualifiers

The entry fee for an Area Qualifier is made up of two parts: prelim entry fee which is payable 3 weeks (21 days) before the competition and this goes directly to BRC; and class entry fee which is payable to the organising club/liaison. This is usually paid two weeks prior to competition. No refunds will be given after prelim entries have been made unless a vet or doctors certificate is produced. In all cases every effort will be made to fill the competitors place for a full refund but this is not always possible.

### Camps

You may cancel your place at camp and receive a full refund up to four weeks before the start date. Any withdrawals under four weeks of the start date will receive a full refund only if the place can be filled or a part refund of the stabling fee if the space cannot be filled. Any refund given will be minus any booking fee.
