

Safeguarding and Welfare Requirement: Child Protection

Providers must have and implement a policy, and procedures, to safeguard children.

1.10 Managing Allegations Against Staff

Policy statement

This policy deals with the process if an allegation is made against a member of staff.

Protecting ourselves

- If a child sustains an injury whilst in our care, we will record it in the accident book as soon as possible. When the child is collected, we will inform whoever picks the child up about the injury and ensure that they also sign the accident book.
- If anyone other than the parent collects the child then a photo of the accident book will be sent to the parent via Class Dojo.
- If a child arrives with an injury sustained elsewhere we will ask for an explanation and again record this in the pre-existing injury book and ask whoever has brought in the child to sign the record.
- We will ensure that all staff undertake regular child protection training.
- We will ensure that all parents understand our role and responsibility in child protection. Before starting at Cobham Community Pre-school, each parent/carer receives a copy of our Child Protection policy and is asked to sign to show they have read and understood the policy.
- Our behavioural management policy states that no physical sanctions will be used and we will ensure that everyone complies with it in all rooms/areas of the setting.
- We will try to avoid situations where an adult is left alone in a room with a child. If this does occur, we will make sure that the door is left open and there are other people around.
- We will avoid engaging in rough physical play with children- as this may be misconstrued and could cause accidental injury to a child.
- We will avoid doing things of a personal nature for children that they can do for themselves.
- We will take up references, including one from the candidate's last employer, and will always question any gaps in employment history.
- We will encourage an open door ethos, to enable staff to talk to senior managers if they have concerns about the conduct of any of their colleagues.

What happens if an allegation of abuse is made against a member of staff in the Setting?

- If anyone makes an allegation of abuse against a member of our staff, Kerry Sheppard (DSL) will be informed immediately and will contact the LADO team on 03000 410888.
- They will assess whether the allegation reaches the threshold for referral to Police/Children's Social Services and advise accordingly regarding further action to be taken in respect of the child and the member of staff.
- The DSL will complete the attached form for recording allegations or complaints made against staff.

- The *DSL* will not discuss the allegation with the member of staff concerned, unless advised to do so by Children's Social Services.
- **All staff need to be aware that it is a disciplinary offence not to report concerns about the conduct of a colleague that could place a child at risk. When in doubt – consult.**
- If Children's Social Services and/or the police decide to carry out an investigation, **it may be possible that we will be advised to suspend the member of staff, whilst enquiries are carried out.** Cobham Community Pre-school could also invoke their disciplinary procedure.
- We will not carry out an investigation ourselves **unless** Children's Social Services and the Police decide it is not necessary for them to do so. We understand that Ofsted may wish to undertake further investigations in some circumstances.

Always remember;

The welfare of the child is Paramount

Guidance for managers completing Checklist for handling and recording allegations or complaints of abuse made against a member of staff regarding a child/children in their care.

1. Record the name and position of member of staff against whom the allegation or complaint has been made.
2. Verbal complaints should be backed up in writing by the complainant if appropriate; some may require immediate action that does not allow time for this to happen.
3. It is important to identify who made the complaint and whether it was received first hand or is a concern that is passed on from somebody else. If this is the case it is better that you receive the information first hand. If a parent, carer or a member of staff at Cobham Community Preschool makes a complaint against you it must be passed immediately to your line manager.
4. Record the full name, age and date of birth of the child.
5. The address recorded should be the address at which the child lives with the main carer.
6. If there are one or more alleged incidents, be as specific as possible about dates that they are alleged to have happened.
7. Check the attendance register/ diary of work to see if the child was present/seen on that day and the shift patterns of the staff member involved to see if they were working at that time. This will confirm the likelihood of the incident having taken place.
8. If you have received the complaint in writing attach it to the checklist. You can then summarise it on the form.
9. Any other information should be factual. It will be helpful if you can confirm things such as the level of contact that the staff member has with the child and any other minor concerns that may have been raised previously. **Do not attempt to investigate the complaint yourself unless the LADO has handed back this responsibility to the employer.**
10. Remember that if an allegation of abuse is made against a member of our staff you must inform Kerry Sheppard who will contact the LADO for further advice.
11. **Ofsted must be informed** if an allegation is made against a member of our staff, even if the LADO decides no further action is required. Ofsted may do their own investigation to ensure that registration requirements are being met.
12. Make a note of any actions the LADO or Ofsted advise you to take and the date or times at which you implemented them.

13. If the allegation is against the DSL then you should speak to Rachael Harrington (Deputy DSL) or Joanna Robbins / Charlotte Davidson, Chair of Committee who will follow the procedures above.
