

SHOOTING YORKSHIRE

Some of the region's top photographers show you how to make the most of our amazing area in your wedding snaps

THE GREAT OUTDOORS

“I think it's important that couples try to get married near somewhere that means something to them. It's what I base most of my engagement shoots around. We always love to hear ideas from our couples, and if it's something that means a lot to you we'll make it happen.” – **Chris Turner, Smudged Photo,**
