With in the workshops many mediums are used. However, I do not sell every single item I use. I can let you know if any these items are available or can be ordered. If you would like to see the items I have they are all listed on the website (apart from any new items I may have ordered and have not listed). [www.craftyneeds.com](http://www.craftyneeds.com). If you wish to order from the website there is an option to pick up instead of paying for postage.

Parchment classes will now run approximately every 3 months. I will let everyone know when these dates are confirmed.

The Ladies who come along to the workshops are great fun to be with. Love to pass on their own ideas and techniques as well as receive them. We would love to welcome new Ladies or Gentlemen to the craft groups. I can honestly say it is a friendly atmosphere and you will feel relaxed and have an enjoyable time. A good time to meet other keen crafters.

If you would like to come along, you can email me [craftyneeds@gmail.com](mailto:craftyneeds@gmail.com) or call me on 07795210789.
