

WEST SUSSEX WOODTURNERS

DECEMBER 2016 NEWSLETTER

Ian opened the meeting as usual with a few notices. These included a plea from Keith Greenfield for volunteers to help out at the Kid's Activity Days at Amberley on the next couple of weekends. On Saturday the Museum booked in 140 Beaver Scouts for the day so things got a little hectic. Please remember the Amberley Workshop is for the entire club not just the Amberley Section.

Steve Savage presented bouquets of flowers to Joyce Kenward and Val Newson on behalf of the members as a Thank You for all their work in organising the raffle and the refreshments. Val also organised the Mince pies and Sausage rolls for the meeting.

We had a special raffle prize of a Christmas cake baked by Sue Rudge. So many thanks to Sue.

Today we have a selection of club members demonstrating their skills.

The Participants were: (in no particular order)

Gary Parkinson, Terry Hooper, Dave Newson, Ian Rudge and Stewart Furini.

Sorry no pictures of Stewart or Ian as they were fairly poor. I was using my phone as I did not have a camera with me. So my thanks to Colin Willetts for supplying most of the pictures.

The Competition for today was an Open competition which meant any item not previously entered in a competition.
