

## WEST SUSSEX WOODTURNERS

### SEPTEMBER 2021 NEWSLETTER

*An Associated Club of the AWGB*

The good news is that we are at last allowed to hold meetings. So Sunday 5<sup>th</sup> September 2021 was an historic occasion being the club's first meeting since March 2020. It's been a very long 17 months.

Hopefully we can now look forward to the next meeting on 3<sup>rd</sup> October.

I'm told just over 40 members turned up. I regret to say there are no pictures as I was unable to get there. So this Newsletter is very short.

I did think of doing a picture presentation of cooking as I am sure many of you will be fed up with the Newsletters having nothing but woodturning in them. But then I couldn't make up my mind as to what to show. I thought of a Chilli con carne (although being a vegetarian there was no meat in it), or possibly a Chicken Korma (without chicken) or even a Beef Stroganoff (without real beef) or Mushroom stroganoff (with real mushrooms). But in the end I was too hungry to take the pictures. And ate them all (not in the same sitting I hasten to add).

Back to the meeting Ian had a turning station going. The shop was open under New Management (Jim Harris) as was the library under the temporary management of Malcolm Hunt. I think Dave Unsted is due for a vote of thanks by all for running the shop for so long.

Colin Willetts tells me there was a good deal of talking (well there's a surprise).

Chestnut Products also had their Northern Invasion show going on at the weekend, which may have accounted for a few absentees. Among the demonstrators was our own King of Colour Stewart Furini and also The Tiny Turner aka Emma Cook. If you haven't watched her do check her YouTube channel.

Just as a gentle reminder subscriptions are due in October and will be £30. You are allowed until the AGM in November to pay.

Colin Willetts has asked me to remind everyone to let him know if you have moved, changed phone numbers or emails.

I understand some members are not receiving emails or Newsletters if you know of anyone this applies to please let either Colin or me know. I'm not quite daft enough to ask anyone to tell me if they haven't received this email.

Alan Wesley had a problem (more of that later) with the Newsletter but we seemed to have solved that by sending it out in Word rather than PDF.

## **NEXT MONTH:**

Hopefully there will be another meeting to report on. If not perhaps I could ask for contributions.

If anyone has any **Hot Tips** please let me know.
