

Little Bird SOS

Craftivist Canary Template

Print off the template and stick the paper to card (a cereal box is ideal) - this will help give purchase when you draw around your pattern pieces

You will need some lightweight yellow cotton fabric - old sheets, pillowcases or shirts will work well. Don't worry if you can't find any yellow fabric, use plain white or cream instead and we will show you how to naturally dye your canary using Turmeric.

You will also need a sewing kit with scissors, needle and thread to match your chosen materials. Also, some stuffing, pliable wire for the feet and black thread or small beads for the eyes.
