

# Little Bird SOS

## Fabric Brooch Template

Print off the template below, stick the paper to card (a cereal box is ideal) and use your scissors to remove the middle section of the large circle so you end up with a 'donut'. Cut out the smaller circle as well.

You will need some heavy weight fabric, felt/felted wool blanket or jumper will work well, a selection of complementary coloured textiles – look for old pillowcases, shirts, or dresses both plain and patterned, also look for interesting textiles such as lace or net/net curtains etc.

You will also need scissors, a needle and sewing thread to match your chosen materials. Finally, you will need either a brooch/safety pin or a headband or elastic depending on how you would like to wear your brooch.
