Participation Statement and Consent Section

Paddle sports are activities with a danger of personal injury or death. Participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement. I wish to participate in the above activity. I understand that canoeing can be a hazardous activity, and is undertaken at my own risk.

I understand the likely demands of paddling and have considered my/my son/daughter health and physical condition. I/my doctor know of no reason to be concerned about my/my son/daughter participation in this event.

I would like to borrow the equipment stated in additional information and return the equipment in the condition as I received it; if the equipment is damaged I will repair or replace it.

I give permission for any photographs taken of me/my son/my daughter to be used by the Sit-on-Top Touring Club or 'Kayaks at Mike the Bike/Kayakshack' on their Facebook pages, website or other publications. If NO, please tick here -

Any relevant current medical condition / any relevant medication being taken.
