

SARAH LOVELAND PHOTOGRAPHY - PHOTO SHOTS

For photo shoots in our Hexham studio there is no fee, you simply pay for what you order. For outdoor & location shoots there is a fee of £30 payable prior to your photo shoot.

Once you have had your photo shoot we will email a link for you to view your pictures. You can choose your favourites in a number of different formats to suit your home or needs. If you have any questions just let us know.

CONTEMPORARY WALL ART

Great pictures for your wall to show off your fab images at their best so that they make you smile every day. We have examples of these different pictures at our Hexham shop so just ask to see them.

An art panel is a smooth, thin, contemporary frameless picture. A canvas block has more texture. A matted print is a fine-art print in a mount that you will need to frame yourself. Other sizes may be possible too, so just ask.

DIGITAL FILES

Digital files are supplied on a USB stick for you to use as you wish and print where you like. Standard sized files will print up to around 10x8" and are perfect for small prints. If you want to print your images for the wall, the large sized files will give you high quality images.

Digital art & montage images are not included in DP1 or DP2 but can be purchased in addition to any other product.

If your favourite images are in between pack sizes don't worry, just let us know and we will let you know the price.
