

# Sew me up Floral Bunny

This kit contains all you need to make a floral bunny for you to love and keep. Your bunny body has been pre-made for you however you will need to stuff and sew her up. Follow these easy steps.

**1**  
Remove the stuffing from its packet and pull it into small balls.

**2**  
Now open up the slot in the back of your bunny's body.

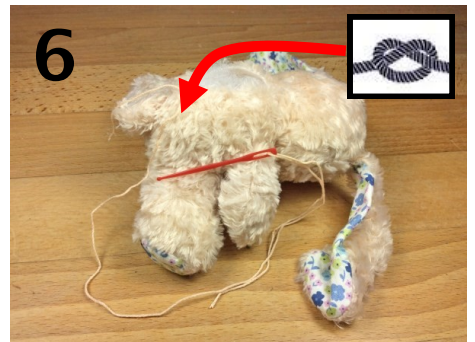

**3**  
Start to push the stuffing into the body through the slot, fill the legs & arms first.

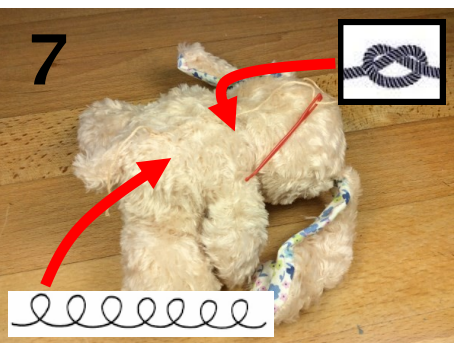

**4**  
Carry on stuffing until all the balls of stuffing are inside - it looks like they will never fit but they do!

**5**  
Cut a 30cm length of thread and thread it onto the plastic needle in this kit.

**6**  
Sew a loop of thread at one end of the slot and tie it firmly with a double knot.

**7**  
Sew the sides of the slot together and then tie another loop and knot at the end.

**8**  
Cut off the thread ends. Your cute floral bunny is finished!

**9**  
Your bunny will love to travel with you wherever you go. Use the tin as a bed.
