

NH Publishing Ltd. Recommend a Colleague Terms & Conditions

Referring a colleague is a great way to tell others about **Network Health Digest (NHD)**. As with all offers, there are a few rules so everyone plays fair. Here they are:

ELIGIBILITY

The following terms and conditions apply to successful refer-a-colleague entries.

This promotion will run from 27th March 2019 until 30th April 2019 or until 300 successful entries have been received, whichever is first.

NHD subscribers can do the following:

- You can refer multiple colleagues. Referred colleagues must not have a current subscription to **NHD** and must fulfil our usual subscription eligibility criteria.
- You must only have one **NHD** subscription yourself and you can't refer yourself. Sorry!

As a referred colleague, you can...

- subscribe to **NHD** as long as you have not had a subscription to **NHD** before. You can start referring your own colleagues as soon as you have an **NHD** subscription in place.

LET'S TALK REWARDS

When referring colleagues, **NHD** subscribers will receive a one-time £10 Amazon or M&S gift card of their choice sent to their email address, once a referred colleague has successfully passed the **NHD** subscription criteria.

Referred colleagues receive a free 2-year subscription to **Network Health Digest**, currently 9 magazines a year sent to their preferred address, two of which are digital-only issues accessed at www.NHDmag.com. The subscription includes NH-eNews Alerts (NH-eNews Bulletin, CPD eArticles, industry news and updates). Subscriptions cannot be cancelled within the two-year subscription period.

About the Refer a Friend rewards

- The gift cards and discounts have no official monetary value and can't be exchanged, transferred, redeemed, replaced or refunded for cash by **NHD**.
- Gift cards last for the duration as specified by either Amazon or Marks and Spencer and are issued using the providers own terms and conditions. Once the gift cards are issued, **NHD** cannot replace or exchange to a different provider.

What if...

- **NHD** receives more than 300 successful recommend-a-colleague subscriptions? **NHD** will endeavour to close the recommend-a-colleague promotion or have the right to change the incentive to meet with demand.

- **NHD** decides to make an exception to the Terms & Conditions?
This is rare and the Terms & Conditions remain unchanged for all other instances.
- Rules or incentives change or end?
It's not often, but this can happen. If it does, **NHD** will reflect the changes here.
- Privacy is a concern?
Rest assured, our Refer a colleague program uses our website [Privacy Policy](#) and [Terms & Conditions](#), ensuring that everyone is completely safe.

Want to start referring and earning? [Yes, please!\(click here...\)](#)
