PLEASE NOTE: OUR DELIVERY OPTIONS ARE BASED ON US SUPPLYING OUR SINGLE-HANDED DELIVERY DRIVER

Fallow & Roe Blind Delivery Only Costs- Single driver provided

- We can deliver a maximum of 2 blinds in kit form per delivery charge or 1 blind fully erected.
- Our costs to deliver your blind in kit form to a road side or hard standing location with our 4x4 truck and 16ft tri-axle trailer is **£2.04 per mile plus VAT** per each delivery from our works at ME9 8PH. We use Google Maps to determine the mileage from our works to your delivery location postcode.
- You will need to provide suitable people (fit and able bodied and willing to assist our staff under direction) to offload your blind from our road transport, our single driver will assist but cannot do this on his own, we suggest a minimum of 3 other suitable people are required to offload each blind.
- By prior arrangement with us we can load your blind in kit form such that it can be lifted from our trailer by a telehandler or fork lift with extended forks, we can provide these extended forks if requested. This method of delivery would require you to provide 1 additional suitable (fit and able bodied and willing to assist our staff under direction) person plus the telehandler to assist our single driver with the blind offload.
- If you have chosen to have your blind delivered fully built to a hard standing location (yard etc.) please ensure you have a suitable telehandler or fork lift with extended forks to offload from our transport, we can provide these extended forks if requested. You will need to provide suitable people (fit and able bodied and willing to assist our staff under direction) to assist with the telehandler offloading of your blind from our road transport, our single driver will assist but cannot do this on his own, we suggest 3 other suitable people are required to offload each fully erected blind. Please note for blinds with staircases and handrails the staircase and hand rail will need to be fitted by yourself once the blind has been transported to its final destination. Our cost to deliver a single fully erected blind is **£2.04 per mile plus VAT** per each delivery from our works at ME9 8PH. You will also be charged our 'ex. works fully built' fee for the blind being fully built at our works prior to delivery of **£120.00 plus VAT**.

PLEASE NOTE THIS OPTION IS ONLY AVAILABLE TO A ROAD SIDE OR HARD STANDING (YARD) LOCATION AND NOT TO A FIELD OR WOOD.

Please ensure that you provide the additional suitable people to assist our single-handed delivery driver and any other resources required as above to offload your blind or request we provide the necessary additional staff at additional cost. Our delivery service is limited to offloading from our road transport only, it is your responsibility to take your blind to its final 'in the field' location.
