

Good Friday Walk of Witness, 18 April

"Friends

We hope you have your diaries marked for the Good Friday Walk of Witness, which will take place this year as usual starting from the **Chapel of St John & St Anne at 1030**, and concluding with a short service at The Buttercross. Apologies that due to a combination of circumstances the Walk did not get included in the most recent Northgate, but we you are warmly invited to join us.
