To all Local Church Stewards, Property Stewards and Church Council Secretaries

Dear friends,

### **COVID GUIDANCE**

I am writing to you in response to the fact that the British Government have, as of today revoked all remaining Covid restrictions.

Covid 19 is still in our communities but clearly we are now in a different place with regard to restrictions and as a Circuit Leadership Team we feel that it is now time for each local church to respond to the Covid 19 situation in whatever way they feel is now appropriate.

HANDS-FACE-SPACE offers an excellent form of practice to minimise the spreading of this virus (or any other) and you may wish to continue to follow these principles to safeguard one another and show practical love for the vulnerable among us.

However you choose to respond, please stay safe and love your neighbour as you love yourself.

I cannot write today without referring to the escalating situation in Ukraine and the showing deepest concern for the people there now living with military invasion, bombs and bullets all around creating turmoil and fear towards a peaceable nation at the hands of a mighty aggressor. There are no words. We pray for peace and peace now.

With every blessing,

Andy  
*on behalf of the Circuit Leadership Team*

#### **Footnote:-**

**The Stewards here at Oakham will provide Sanitiser and Face Masks at the entrance.**

**The wearing of Face Masks within the premises will be left to personal choice.**
