**SOUTHBOURNE TENNIS CLUB**

# *PLAY TENNIS AT OUR INCLUSIVE TENNIS VENUE*

*For all standards, abilities & disabilities*

Maybe you think tennis isn't for you? Or maybe you're not sure you'll be able to play it? Well, here at Southbourne Tennis Club, we'd just like you to know that it most definitely *is* for you. It's for anyone.

Tennis really is a sport that anyone can play. It can be adapted for any level of ability, impairments or disability.

And whatever you think might be holding you back, take it from us, it isn't. We can supply all the equipment and aids you need. We've got sports wheelchairs if you have a physical disability. And tennis balls that make a noise when they bounce if you're visually impaired. There's nothing stopping you from giving it a go and having just as much fun playing the game as everyone else.
