Club Open Days

Saturday 6th & Sunday 7th June 2020

Come and try your hand at Lawn Green Bowls in pleasant outdoor surroundings.

The lawn bowls season is April to September.

You may also like to try Shortmat Bowls, available from October to the following March.

Many of our members enjoy both.

No obligation and no pressure but plenty of fun for all the family from eight to eighty.

Come along from 1:00pm on either or both open days.

Refreshments available with a well stocked bar in a friendly and comfortable atmosphere.

Please wear flat soled shoes, anything without heels, for your introduction to this popular sport.

All levels of ability welcome - Beginners and established bowlers.

Play for fun, or more competitively, against other bowls clubs and in club competitions.

If you cannot make either of the open days, you may still visit the club at your convenience.

Other “taster days” will be available throughout the year, please contact the club for dates.

You can use the “Contact Us” page on the club's website and we will get back to you.
