Hi all,

**GUNTON HALL – Monday 3 to Friday 7 February 2020
4 night bowling break**

I have just got details of the above break.

The price is £165.00 standard room and £185.00 Premier room, price includes bowling (this normally carries a charge of £17.00 per person) so a really good deal. Single rooms are available but Warners have loaded the price of single accommodation if I go over my 10% allocation by £80. So to be fair on all those wishing to have single accommodation price would be worked out equally for all.

Coach travel is extra and price would depend on how many people travelling by coach.

Those people that came on this break earlier this year had a great time and asked me to arrange same break for next year. So look forward to hearing from you all.

You may be aware that in the past I have been able to transfer the value of your holiday to an alternative date less £35 deposit if you cancel 10 weeks or more prior to the holiday, I won't be able to do this going forward. Therefore I recommend you purchase Warner Holiday Protection at a price of £10. This covers you for sickness, redundancy and jury service. If you already have travel insurance, then of course Warners insurance won't be necessary.

If you would like to join us on this break, please send me a cheque for £35 as a deposit by 1st August, or a cheque for £45 if you wish to take out the insurance. Let me know in your reply, if you will be bowling, travelling by coach or any special requirements you will need.

Finally, I lost my groups address book on our last trip so need to create a new one. Therefore would you please complete the form below and return with your deposit. Hope to hear from you soon.

Many thanks.

Kind regards.
Susan Roberts
