

DIY Colourful Tissue Christmas Tree

- 1) Print onto paper or thin card
- 2) Glue on colourful tissue paper pieces & any other sparkle!
- 3) Leave to dry, then cut out along dashed lines
- 4) Bend into cone shape & celotape in place (make sure to leave a hole at the top)
- 5) Pop your star through the whole at the top! Hey presto!

star slots in here

celotape along here

Cut along all dashed outerlines
