ANTI-RACISM MOUTHWASH LABEL

DIY Printable

INSTRUCTIONS

- 1) Get yourself a mouthwash bottle (mine is based on the size of a Dentyl Dual Action bottle)
- 2) Print out (at 100% so the label is the right size). Cut around outer lines shown
- 3) Glue in place - either over the label or soak the original label off
- 4) Store somewhere handy to use when needed
- 5) Extra points if sent in the post to whoever needs it!
