

INSTRUCTIONS:

- 1) Colour in your fairy!
- 2) Carefully cut around all dashed edges
- 3) Place arms around back of the fairy's neck & secure in place with celotape at the back
- 4) Fold along the wings
- 5) Curve the fairy round into a cone shape, so her wings meet at the back and celotape her wings together
- 6) Glue the heart shape onto the back of her wings, they should line up perfectly!
- 7) You can also glue the banner to her hands too if you'd like. Write your name or a message!
