SILLY WALKS

INSTRUCTIONS

- 1) Print out the signs on printer paper (or plain card if you've got some).
- 2) If you have any card glue it to the back of both pieces of paper to make stronger.
- 3) If you're putting this outside you can pop it in a cello bag or laminate.
- 4) Pop in your window if you can read it from the pavement!
- 5) Secure the signs to your fence / on a stick in your front garden.
- 6) Set the signs pointing towards each other so everyone walking passed knows where the silly walk zone starts & ends.
- 6) Find a comfy spot to watch the silly walks! & show your official badge if required...
