

SUMMER NEWSLETTER 2018

We hope that you have all been enjoying this year's very hot summer ! Although the nice summer days can be a blessing, it can also be a challenge here at the sanctuary. We have been working hard to make sure all of the animals are happy and being kept cool. The pigs have been especially happy rolling around in the wet mud !!

15 lambs have come to live with us here at Brook Farm Animal Sanctuary this summer. They have been very happy settling into their new home, gleefully running and playing in our field. We are very appreciative that we are able to give even more animals quality of life since our recent successful fundraising campaign towards the purchase of our extra land here at the sanctuary.

We are very pleased to be able to let you all know that Molly is happy and well, after her cancer operation. Molly is your typical cocker spaniel who likes to carry shoes, clothes etc. around the house. Much to our surprise, look what we discovered that Molly had picked up one morning !!

We have four permanent guinea pigs at present. Clarabel, Marshmallow, Rosie and Izzy. They have all moved outside in to a large enclosure where they get lots of grass and treats. Clarabel likes to steal my breakfast and is a cheeky piggy. We have no guinea pigs in looking for homes at present but if you are interested in donating hay etc it would be appreciated. you can also leave your name on a list for future guinea adoptions.

As always we've been very busy at BFAS looking after the animals, keeping them fed well, giving them love, and making sure their living quarters are nice, clean and tidy. We have been very lucky to have help from our volunteers who have been working very hard, especially on some of the extremely hot summer days we've been having. We've been collecting lots of hay this past few weeks, with special thanks to MK Open University for their amazing hay donation.

The cows are looking happy to be relaxing in their barn after its thorough clean out. It will now be deep littered over the next few months to keep them warm in the winter.

We're very excited about our upcoming open day being held on Sunday 16th September from 11am until 4pm. £2 admission, and free entry for children. Dogs are welcome as long as they are kept on a lead. We love to welcome visitors to come and have a look around the sanctuary, to meet all of the wonderful animals here, browse around our charity shop, and enjoy the variety of lovely stalls we have joining us for the day. We also have a fantastic tombola and raffle. All of the funds raised by BFAS on our open day go towards the care of the animals here and the upkeep of the sanctuary. We hope that some of you are able to come along.
