

Test Valley Motor Enthusiasts

We are a group of people interested in all aspects of transport ranging across cars, motorcycles, trucks, buses, tractors etc.

With a current membership of over 120, we meet during the winter months at the Royal British Legion, Love Lane, Romsey, SO51 8DE on the first Monday of the month at 7.30pm. We are a very sociable group and our club nights are well attended, with visiting speakers covering an interesting and varied range of topics. Check out the Club Events tab on our website www.tvme.org.uk and you will find full details of the talks, and much more.

In the summer months, we hold outdoor events and these include daytime and evening vehicle runs and visits to local attractions (not always car related), which usually end up at a place of interest (sometimes a pub - sometimes not!). Other social gatherings in the club year are a skittles evening, a summer BBQ and a Christmas dinner and dance

We hold an Activity Weekend (less strenuous than it sounds!) in early July, which includes a Summer Run on Saturday, a Show Day for members' vehicles on Sunday and a run to a pub on Monday evening.

We drive further afield in spring for an Away Weekend at a hotel set in good motoring countryside. Closer to home, you will spot our club stand at many of the local shows and rallies.

You don't have to own a classic or historic vehicle - or any vehicle for that matter - just share our passion for all things mechanical. So why not come along and see us on our club nights? You would be very welcome.
