

Producing a School Prospectus in 3 easy steps...

- 1** View our PS Prospectus here:
www.iedprint.com/PSprospectus
- 2** Click on Enquire and complete the short information section
- 3** We will contact you to help you through the very simple process

If you decide to proceed, you will need to provide us with the following:

- 6-8 good photos of your school / pupils
- Text (approx 150 words) outlining your Religious Education provision.
- Any other text changes required, (based on the sample shown*)

* The sample shows the layout and text to be used. You can provide your own text to suit your schools provision but it must be similar in length to the sample.

Bespoke Option:

If you would like us to produce a bespoke prospectus we will be glad to provide samples of others we have produced for local Primary Schools.
