## Some of the things you can do !

**Celebrations** Awards, presentations, promotions, retirements, sporting achievements, business success - anything to be proud of!

**Weddings** You can't get married here, but it is a great hall for wedding receptions.

**Conferences** Layout can be formal or informal. Like working in groups? There is plenty of room to spread out in the hall.

**Birthdays** Everybody has these! We have kitchen and serving facilities. The counter separates the kitchen from the hall.

**Events** We have licences for music and performing arts. Let your imagination fly!

**Displays** The art group puts on displays, as do the WI and Kilmersdon Gardeners. You have something to show off?

**Kids Parties** The Hall is great for kids parties. We have these frequently.

## HOW WE MADE IT !!

25 Years ago, the Kilmersdon Arts Academy performed in the hut which was then the Village Youth Club, now the one in the Herb Garden. There were two performances each time and the hut was packed at each one. All this without a stage - the curtain was a dust sheet stretched crudely over a scaffold pole. With no room for changing, the performers ran across a flimsy platform to and fro a horsebox parked close by. Changing was unisex - not much privacy!

So what happened in the Hall ? -- Look at What They Did.
