

Message from John and Rachel Price at The Alders Caravan Park

As you will no doubt be aware, the next phase of the Government's lifting of restrictions allows us to re-open our caravan park on Saturday 4th July. Our local community is and always has been extremely important to us and we want to reassure you that we will be adhering strictly to the respective Government and Public Health guidance and have introduced new procedures for the safety of all our guests, our staff and the local community.

We have signed up to the 'We're Good to Go' Industry Standard and supporting Mark confirming we have carried out a COVID-19 risk assessment and have the required processes in place. We will be operating at reduced capacity and no guests will be allowed any visitors to the site. Our small shop will be open and we know this is very popular with some of the children in the village. It is always lovely to see them, but we will only be allowing one person at a time in the shop and there will be a sign on the door. If your child/children do wish to come to the shop on their own, we would be grateful if you could remind them of this and the need for social distancing.
