6. It was noted that Malton Fiona is organising the 2024 ladies’ competition. Thank you.
7. It was noted that there is currently no one prepared to organise the men’s competition so there won’t be one.
- 8, The meeting was reminded of the procedure for allocating the presentation dinner (2020 Minute):  
7.2 The organisation of liaising with the clubs and teams, getting the numbers, the money and the choices in, overseeing the detail with the venue, table plans and venue payment would devolve onto clubs. Clubs will take it in turns, drawn from a hat. Once drawn, removed from the hat until every club has done it. Good for getting everyone involved and each club only does it once every 14 years.  
The draw for the 2024 dinner – everyone in except Malton (2021), Sheriff Hutton (2022) and Pickering (2023) – will be held in public in May.
