Minutes previously circulated and these were accepted and signed as a correct record.

14/3 CHAIRMAN'S REPORT

Apart from the routine planning applications etc. further tree work was completed on the cherry trees and willow trees. A memorial tree was planted in memory of Trevor Lakey and the family visited. A copper beech was planted to replace the willow. A new litter bin was installed and a number of new benches. The part night lighting scheme has been started. Progress is being made on new noticeboards and the emergency plan.

Various road and drain repairs had been flagged up. Footpath decking near the Kyle was still to be done by NYCC. We have tried to get help from the police to address dangerous parking but have failed. Thanks to all Councillors for their help during the year and to the Clerk.

Thanks were offered to the Chairman by the meeting for his work during the year.

14/4 ANY OTHER BUSINESS

The work on the drains on Main Street was still ongoing by Yorkshire Water. The manhole cover outside David Edwards property bubbles up with water when it rains.

Mitchell Lane gully still gets blocked and outside Willow House floods. The Chairman would speak to Joy Robinson to see whether the work has been done to a satisfactory level.
