Fair Trade Fortnight

26th February - 11th March 2018

Dear Parishioners

After the supernatural interventions surrounding Messiah's birth, everything apparently settles down to a more familiar rhythm. Yet, God is working in preparation for the ministry that will ultimately open the doors long shut between heaven and earth. Once more it will become possible for God's kingdom to be expressed in the earth as it is in heaven. Mary, Joseph and Jesus return to Nazareth, where Jesus grows into adulthood, growing in strength and wisdom, with God's grace recognisably upon him.

At times I grow frustrated with the normality of life. The daily round of rising, eating, working and managing life's irritations almost crushes me. I grow bored with the repetitive cycle. I struggle to find the energy to bother. But then I remember who it is that has called me to this place and this life. How can I complain when Jesus, my saviour, has given His life for me? And I also remember that seasons of apparent normality are also seasons of growth. Seeds planted in the soil do not immediately appear. They take their time, yet their ultimate harvest is contained within the kernel of that seed. Jesus, who is the seed of salvation himself, learned obedience and grew in understanding over years of apparent ordinariness.

After Christmastide, the Church calendar takes us into ordinary time. Ordinary time is the space for growing in strength and wisdom while learning to live in the grace of God. This is a precious season, for we can only ever live out of what we have discovered of God for ourselves. We cannot borrow from what others may have told us or what we have read yet failed to embrace in our own walk of faith.

Over the Christmas season I was so encouraged to see so many of you in our churches, exciting times lay ahead; times of challenge and adventure, and in the ordinariness of daily life, we do well to remember the joy peace and indeed excitement that dwells within us when we discover the living Christ and invite him into our lives. I look forward to a time of growth, reflection and challenge and offer myself again in the service of God and of you all this coming year.

Blessings
Revd Carmel Gittens

Alne Street Fayre has discussed with North Yorkshire County Council their proposals for the road closures in Alne on **Sunday, 10th June 2018**. The plan, which takes into account the safety considerations proposed by NYCC, is the same as 2017 and is posted on the Alne Parish Council notice board.

Emergency access and free off-site parking will be maintained as in previous years. If you have any comments, please contact Suzi Scott-Rix, Alne Street Fayre Chairman, on alnestreetfayre@btinternet.com or 8383059, by Friday 09-February. Thank you.

News from Aine Church

Christmas

How swiftly time flies, it already seems an age since the Christmas period! Over three hundred children and adults came to the Christingle and, although we did not have a midnight service, more attended the Christmas services compared to previous years. Our thanks again to all who helped by making the Christingles, preparing and decorating the church at this special time.

Project news

We are pleased to report further progress, including a large grant from the Garfield Weston Trust. The architect's plans are being assessed and we hope that final approval will be granted soon. Notwithstanding the presence of twenty-four Natterer's bats in the church walls, we expect that work will commence in the late Summer.

Duke of Edinburgh Award students

Over the past months three Duke of Edinburgh Award students have been carrying out various tasks at the church and in the churchyard. We plan to continue and expand this arrangement and trust that these students will find further challenges in the months to come.

Thank you to everyone in Tollerton that donated money to our carol singing on Monday, 11th December. With the help from our church, and their mince pies, we managed to raise £326. This will help towards the running of the playing field.

As the New Year has arrived, we can continue to work towards replacing the play equipment on the field. Unfortunately the swings have had to be removed due safety, but we hope to find a replacement as soon as possible.

Could dog owners please note that dogs are not allowed on the field.
