

Duffield Lawn Tennis Club – Family Membership 2021

www.duffieldtennisclub.co.uk

We want to make membership affordable for the whole family, especially if you are new to tennis. For £249, two parents and all children aged under 12 can get on court. This offer is open to new members only, both adults and children.

All family members can play at the club on:

- Monday to Friday 7am to 6.30pm & Saturday and Sunday 7am to 9.30am and 12pm to 6.30pm.

Children over 12 would need to join as individual members in the relevant age category.

Individual parents wanting to take up this offer should contact the membership secretary via the club email address for a pro rata fee. If a parent wants to play outside the specified times, join the box leagues or play in matches they would need to register as a Full Member. An appropriate reduction in the family membership subs would be made. For queries about this please contact the Membership Sec via duffieldtennisclub@outlook.com

To join, please fill in the form below. The minimum information we need is the name and DOB of all children and the name and contact details of any second parent. Please send the form by email to duffieldtennisclub@outlook.com or leave a paper copy at the club [with coach or in black box at bottom of stairs.]

One parent will need to register and pay fees using the following link. [Clubspark is the LTA approved system for registering, making payments and booking courts. It also allows the club to send you relevant information.]

<https://clubspark.lta.org.uk/Duffieldtennisclub>.

First click on the icon in the top right hand corner and choose the option to REGISTER in the drop down menu. Once registered, the site will then ask you for electronic payment for your category of membership. If you would rather pay by bank transfer please see details below. Please contact us if you are having difficulty via duffieldtennisclub@outlook.com

Data protection/privacy

We will only use your details to manage your membership. This is kept securely in line with the General Data Protection Regulations.
