

May 2021 Duffield Tennis Club Conditions for Playing. **Valid until further notice.**

DO NOT GO TO THE CLUB IF YOU OR A MEMBER OF YOUR HOUSEHOLD HAS COVID SYMPTOMS OR HAS BEEN IN CONTACT WITH ANYONE WHO HAS SYMPTOMS OR IF YOU ARE IN QUARANTINE.

IF IN DOUBT, STAY AT HOME.

WE CANNOT 'POLICE' ACTIVITY AT THE CLUB. WE EXPECT MEMBERS TO BEHAVE IN ACCORDANCE WITH THE GUIDELINES BELOW.

The courts are open for singles, doubles, 1:1 and group coaching. There will be no mix-ins until further notice. There is access to toilets and the floodlight metres.

- Please do not go to the club unless you have booked a court via Duffield Club Spark.
- Please respect social distancing when entering the grounds i.e. wait for people to get into/out of corridor to the gate before entering.
- Don't gather around the back door but go straight to the court you've booked allowing space for previous players to leave.
- Court bookings are restricted to 90 minutes per game. Please don't make work for others by booking longer. Courts become available at short notice, so keep checking if at first you can't get your preferred time.
- If you cannot make a booking, please cancel it as soon as possible. Please do not make speculative/just in case bookings.
- Please check out the LTA guidelines for players on the LTA website.
- Use hand sanitiser before and after playing. This is available at the club but is in short supply! **Please bring your own (there's plenty in the co-op).**
- There are no water fountains at the club.
- Parents of children older than 10 are asked not to wait for children, but to drop them and pick them up after play.
- Coaches will advise parents of younger children where to wait in view of the court.
- Please leave the club promptly after you have played.
- Ideally wash all your clothes after playing.
- The person making the booking on Clubspark is responsible for tracing the other people playing, should it be necessary. The safest way to do this is to enter their details when booking on Clubspark (add participants).
- Please use your fob to enter the club i.e everyone should check-in with their fob. We will then have a record of everyone who has entered the club should track and trace be necessary.
- If you use the club house please sign the register and use the QR code on the door.

- If you use the club house YOU MUST WEAR A MASK.
- Coaches are available for 1:1 and group coaching, the coaching programme is available from [contact James 07968058383](tel:07968058383)
