

Duffield Lawn Tennis Club – Family Membership 2020

www.duffieldtennisclub.co.uk

We want to make membership affordable for the whole family, especially if you are new to tennis. For £249, two parents and all children aged 15 and under can get on court. This offer is open to new members only, both adults and children, for one year from the date of joining. Thereafter, we hope everyone will continue as members, but each member of the family should join the relevant individual category. Any single parents who would like to take up this offer and families who continue to play after their first year exclusively as a family unit should contact the membership secretary via the club email address for a separate fee.

There are two ways you can join the club.

1. We would prefer that parents register with the Club and pay fees on line using the following link: <https://clubspark.lta.org.uk/Duffieldtennisclub>. First click on the icon in the top right hand corner and choose the option to register in the drop down menu. Once registered, the site will then ask you for electronic payment for your category of membership. Payments are made via ClubSpark, the LTA's on-line payment system, either in full or by 12 instalments. Please contact us if you are having difficulty accessing ClubSpark at duffieldtennisclub@outlook.com. Even if you register and pay on line, as a new member please still complete, sign and return the form to us so we can be sure to issue you with an access fob. Registering also allows you to book courts on line.

2. If you would rather pay by cheque, please enclose this with this completed form. Cheques payable to Duffield LTC please. Or make a payment to Duffield LTC, HSBC Bank, Sort code 40-19-15, Account 62426501. [ref. please Family Membership]

Please do still register with us on ClubSpark, so that you are able to book courts on line and receive news and information. Forms and cheques if applicable should be returned to Duffield LTC, 23 Town Street, Duffield, Belper, Derbyshire, DE56 4EH, or put in the black box at the bottom of the stairs in the clubhouse. We look forward to welcoming you at the club.

Data protection/privacy

We will only use your details to manage your membership. This is kept securely in line with the General Data Protection Regulations. If you are willing to receive emails about club activities and to receive email newsletters please tick the box []
