Safety Rules

These rules must be adhered to at all times.
Please ensure members of your party follow these rules:

- No parents/adults or children over 11 allowed on the equipment
- No eating or drinking in the Gym
- No somersaults or gymnastic elements permitted

- No shoes to be worn in the gym (this includes adults!)

General Rules:

Gym:

Make sure you look after your personal belongings—the Gym accepts no responsibility for personal property—items left unattended are at owners risk. A qualified coach will be present on the premises for the whole period who will supervise generally during the party.

In addition there must be a ratio of at least 1 adult to 5 children to assist with supervision so as to ensure safety guidelines are adhered to.

No food or drink in the Gym

Parking: There is plenty of parking space at the club for you and your party goers.

Adults are not permitted to use the gymnastics equipment at any time.

Terms and Conditions:

Please note: If you book more than 3 months in advance Huntingdon Gymnastics Club reserves the right to cancel or move your party if due to gymnastics operating requirements such as competitions or events we require the gym. In these circumstances if no alternative is available we will refund your booking.

Cancellation: If you cancel your party your party within two weeks of the party date no refund will be given.

Age of Children: We are unable to cater for children who will be 11 years old or over. This is due to Health and Safety.

In the unlikely event of an injury, and in the opinion of the coach requires medical attention, the club reserves the right to call for that medical attention.

If the presiding coach believes that behaviour of either the children or the adults is likely to cause harm to individuals or club property or equipment, the club reserves the right for the coach to halt the party and request those individuals to leave.

Food: We don't provide a room for food, but if you want to finish your party 5/10 minutes before the end, a table is in the link foyer, where you can have a birthday cake and party bags for issuing.

You will need to complete a register before you attend the party - this can be found on the website for download.

Thank you for booking your party with us, we look forward to welcoming you, and hope you have fun!

Important!

If your child or any of your child's guests have a medical condition please advise us ahead of the party.
Thank you.

The safety rules will be explained by the coach at the start of the party. They must be observed at all times and it is the duty of the supervising adults in the party to see that all participants adhere to them.

The Club accepts no liability for any accidents which occur as a result of the safety rules having not been adhered to.

A register of all those children attending the party with the contact details of those parents who ARE NOT attending the party must be completed and given to the coach present before the party commences.
