

"The mission of the Catholic school is the integral formation of students, so that they may be true to their condition as Christ's disciples and as such work effectively for the evangelization of culture and for the common good of society."

Blessed John Paul II

The main mission of Beads with Faith is to revive and revitalise the Rosary in our Schools, Parishes and Homes. To create a generation of Rosary makers and particularly young people and families that want to pray the Rosary, love to pray the Rosary and learn about Christ at the school of Mary, his mother and our blessed mother. The heartbeat of Beads with Faith is the Rosary. There is nothing that gives us greater joy than to teach, make and Pray the Rosary.

It is our experience that by being directly involved in the creation, children are more likely to find meaning and understanding in what they are doing!

Artefact: something made or shaped by man, such as a tool or a work of art, specifically as an object of religious leaning. Most artefacts have their existence in the context of use in religion and are meant to be used as such.

1. cut the handles off the bags leaving the outer handle on 2 of them.
2. we folded the bags in half , and punched holes in the fold.
3. Using the ribbon/twine, 'bind' the book together.
4. For the pullouts cut some card to size and stuck some ribbon on with double sided tape to enable the inner page to be pulled out . Make sure these are also staggered so that you can see the tabs when the book is closed!
5. We used 120gsm linen paper to decorate the pages! You could also use sugar paper,/ wrapping paper or leave the pages plain
6. after preparing the pages, cut and stick the prayers in the order you would like them in the book, using a glue stick/sellotape/ doublesided tape
7. Decorate the Cover in your chosen paper , make sure the children put their name on their own book.
