

A Social Story

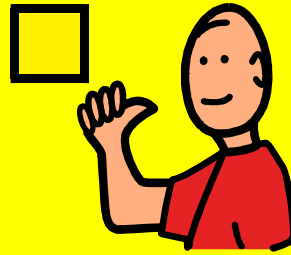

My Mouth

I

use

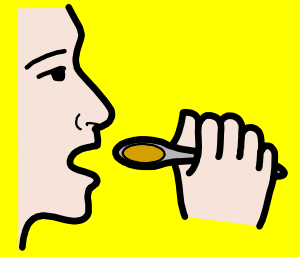

my

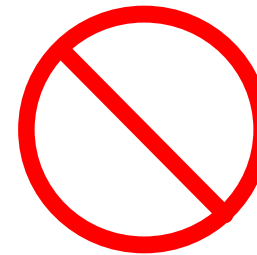

mouth

for

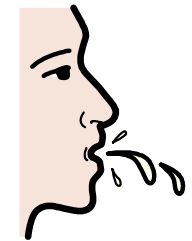

eating

But

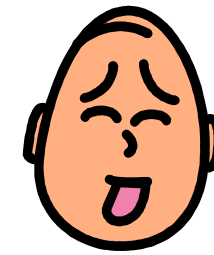

not

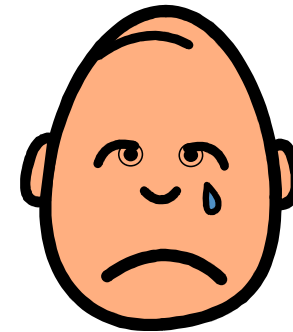

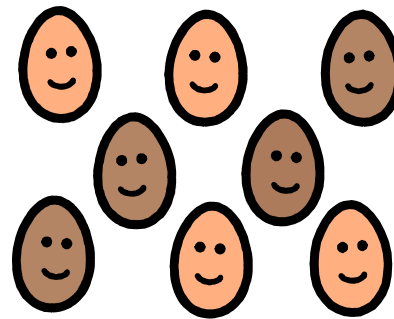

for

spitting!

'Cause spitting is yucky

And it makes

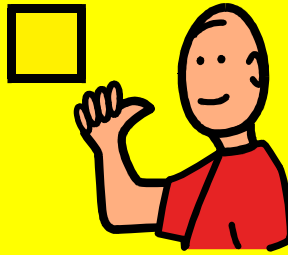

people

sad.

I

use

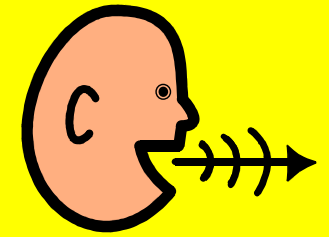

my

mouth

for

talking

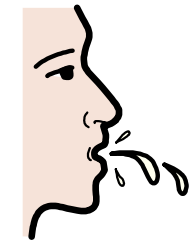

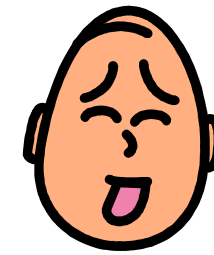

But

not

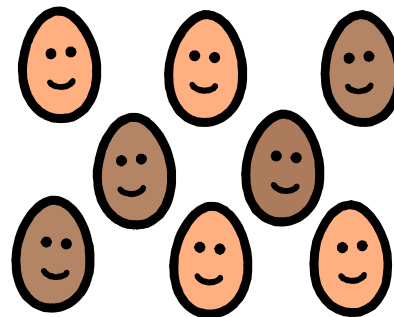

for

spitting!

'Cause spitting is yucky

And it makes

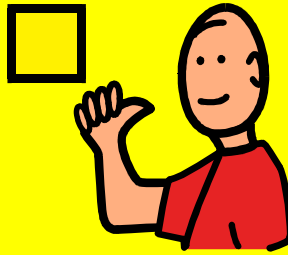

people

sick!

I

use

my

mouth

for

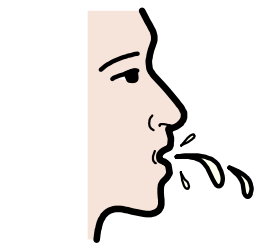

singing

But

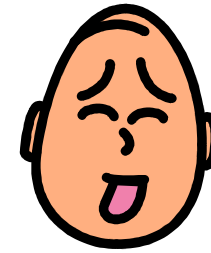

not

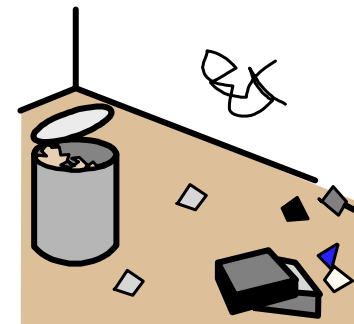

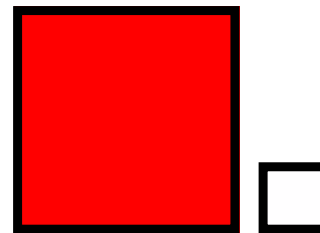

for

spitting!

'Cause spitting is yucky

And it makes

a

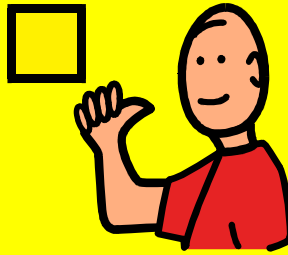

big

mess !

I

use

my

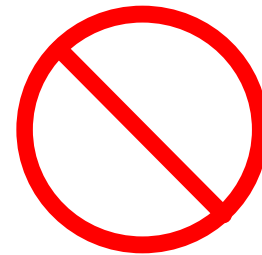

mouth

for

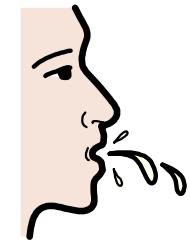

smiling

But

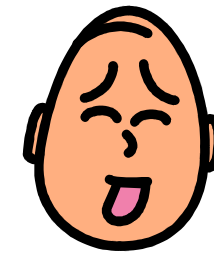

not

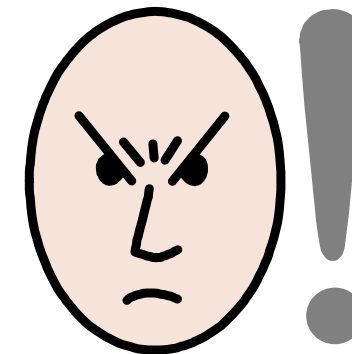

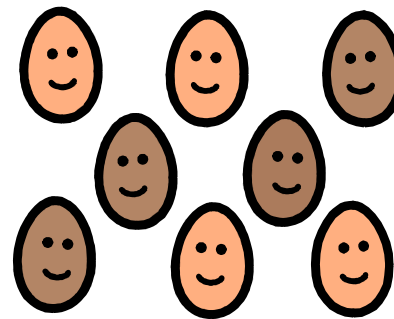

for

spitting!

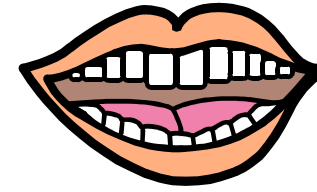

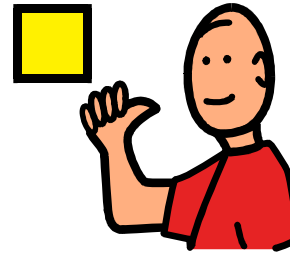

'Cause spitting is yucky

And it makes

people

cross!

If

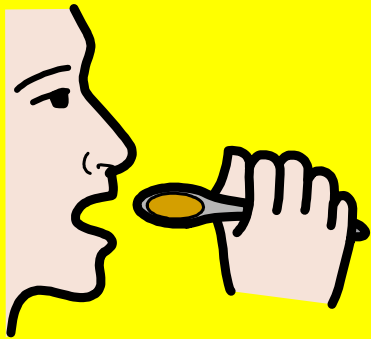

I

use

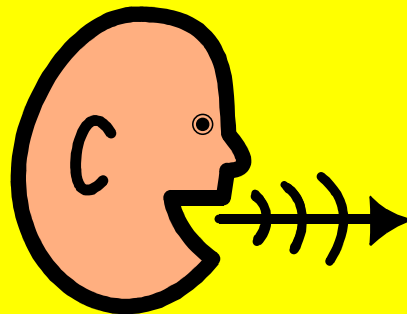

my

mouth

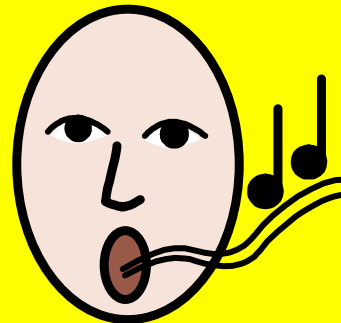

for

eating,

talking,

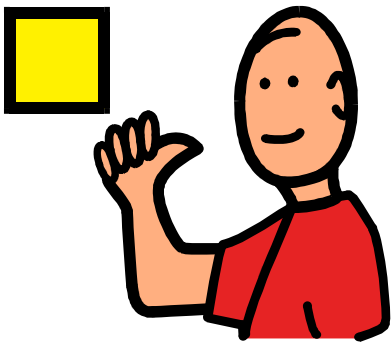

singing

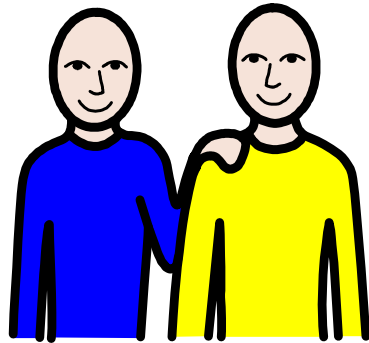

and

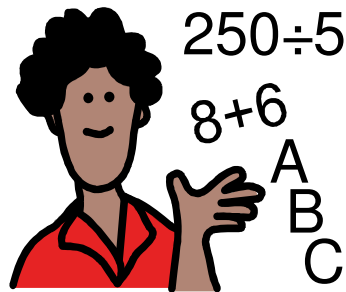

smiling...

My

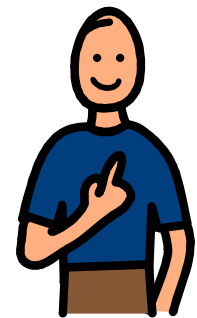

friends,

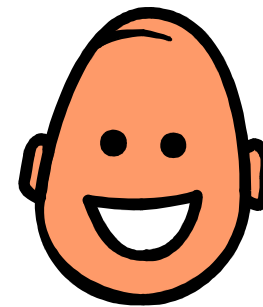

teacher

and

I

will be happy!

A Social Story

"My Mouth" should be read after every

instance of spitting occurring in the classroom.

The story should be read at the students desk.

If appropriate remove any distractions from the

students desk. The Social Story should be kept

in an easily accessible place.
