

*Dear*

Ho Ho Ho! Christmas is almost here. Thank you for the letter that you sent to me, I really enjoyed reading it.

I am very happy to hear that you have tried your best this year, this makes us all here at The North Pole extremely happy and we are so proud of you!

It was exciting to read about what you would like for Christmas. The elves and I are searching the workshop to see if we might be able to find some of the gifts that you have asked for.

It's not long to go now and I have a lot of presents to get ready. Although it is a long journey I am very much looking forward to visiting you.

Please make sure that you get to bed early on Christmas Eve, and remember to hang your stocking.

A Merry Christmas to you.

With warm wishes,

*Santa Claus*
