

FROM THE OFFICE OF

Santa Claus

Ho, Ho, Ho, Christmas is nearly here!
Myself, Mrs Claus and all the elves are so excited!

It won't be long until I'll be getting the reindeer
ready to fly over and deliver presents to all the
special boys and girls out there, just like you.

The elves have been working super hard making sure
all the toys are ready and wrapped. I think I will
need to organise a little present for them all,
just to say thank you for all their hard work.

I know that you have tried your hardest this year
to be kind and helpful, and we here at the North Pole
are very proud of you... keep up the good work!

Don't forget to make sure you are tucked up in bed,
and fast asleep, nice and early on Christmas Eve.

A very Merry Christmas to you
and everyone you know.
